LEARNING MORE ABOUT MORRISON CLIENT CHICOBAG

Chico Chamber of Commerce’s Young Professionals Organization held a leadership luncheon in July featuring ChicoBag CEO & President Andy Keller, a Morrison & Company client. Principal Toni Scott (right) and Consultant Tim Peters (middle) were front and center to learn more about Andy (left), his business, and ChicoBag’s journey to success.

COUNTING OUR BLESSINGS

Managing Principal Brent Morrison (far left) welcomed a new grandson named Roman in early September. We also have another Morrison wedding in the books. We were delighted to celebrate Consultant Carissa Ryström (formerly Shirk) and husband Peter’s wedding reception this September in Chico, California. Congratulations to Brent and Carissa on their separate but equally exciting new adventures in life!

MORRISON & COMPANY ANNUAL SUMMER BBQ

Another year, another success! Every year, Brent offers his home to the Morrison team and family members for a Summer BBQ. This year’s event was bigger than ever. The fun-packed afternoon included great food, pony rides, face painting, scuba lessons, swimming, and our first ever balloon toss contest!
