CLIENT CORNER

The Morrison Client Corner is a regular feature of our newsletter. Here, you'll find updates on what a number of our clients are up to, their achievements and milestones, and the generally great things happening in their companies or organizations.

If you're a client of ours, we'd love to stay up to date with what is going on within your organization and invite you to share your highlights in this space. Feel free to send any press releases, newsletters, or happenings to Susanna at ssteffen@morrisonco.net.

CONGRESSIONAL WINE CAUCUS WELCOMES SONOMA COUNTY VINEYARD WORKERS

Thirty-one Sonoma County vineyard workers visited the U.S. Capitol in July, welcomed by Congressional Representatives Nancy Pelosi and Mike Thompson. The trip was the culmination of the Sonoma County Grape Growers Foundation's first-of-its-kind Leadership Academy, which focuses on advancing the skills needed for vineyard employees to be promoted into leadership roles within their organization or their community. Executive Director Karissa Kruse said the trip was a life-changing experience for many attendees.

THE RENEWAL CENTER OPENS ITS DOORS

The Renewal Center, a project of The Jesus Center, focused on homelessness, hosted its open house this summer in Chico, California! The Morrison Team had the pleasure of touring the center, which includes 14 family micro-units, space for group and individual therapies, flexible classroom group work space, and much more. We are excited about the lives that will be touched and the impact it will have on our community. We also enjoyed playing a small part in making beds and getting the Renewal Center ready for its grand opening!

PAT ANDERSEN NAMED CHAIR OF BOARD OF WESTERN AGRICULTURAL PROCESSORS ASSOCIATION

The Western Agricultural Processors Association (WAPA) announced its new Officers for the Board of Directors, appointing Pat Andersen of Andersen & Sons as its new chair of the board. WAPA is governed by a 15 member Board of Directors and was formed in 2009 to provide comprehensive representation on legislative and regulatory issues and hands-on environmental and safety services for hullers and processors of California grown tree nuts. We are so proud of Pat and his contributions to the industry!
