Baugher Ranch Organics celebrated its 40th Anniversary on July 19, 2024 with the Grand Opening of its new state-of-the-art Ready-to-Eat (RTE) processing facility. The Baugher family in Orland built the 30,000 square-foot facility to process, pasteurize, and pack organic almonds grown on their own farm and others across the state. Morrison admires Baugher Ranch Organics' commitment to sustainable family farms, as exemplified in their mission statement, "to provide quality, organic almonds for the benefit of growers, customers, and employees while maintaining long-term business viability."
