

GETTING TO KNOW SUSANNA STEFFEN

Susanna Steffen is responsible for Morrison's business and office administration including managing key vendor relations, banking, and office administration. Susanna coordinates Morrison's marketing and internet presence, working closely with our team and our creative design and marketing consultants.

Susanna brings over 10 years' experience in business administration and customer service. Prior to joining Morrison, she worked as an administrative coordinator at Northwest Lineman College, an educational institution that provides safety and certification training

for the power delivery, natural gas, and telecommunications industries. There she assisted with advanced training courses, coordinating elective registrations, working with vendors, and facilitating processes in career planning and strategy. Susanna has previous administrative experience working for a behavioral health clinic, insurance agency, and security company.

Susanna is a graduate of Butte Community College where she earned an associate's degree in Social and Behavioral Studies. She attended Humboldt State University where she studied Child Development.

Q&A WITH SUSANNA

WHAT IS YOUR FAVORITE TRADITION OR HOLIDAY?
Ever since we were kids, my mom would take my younger sister and I to the Nutcracker ballet around Christmas and it has been our annual holiday tradition ever since. In more recent years, my niece Amelia has started to join us, which has been really special.

WHAT IS YOUR FAVORITE MOVIE?
Overboard. Kurt Russell and Goldie Hawn are magic in that movie.

WHERE WOULD YOU LIKE TO TRAVEL?
The places on the top of my list right now are France, Greece, and Italy. I would also love to visit New Zealand and see the filming locations of "The Lord of the Rings" and "The Hobbit" movies.

WHAT ARE YOUR FAVORITE PLACES IN THE WORLD?
The house that I grew up in in Durham (California), Disneyland, and Fern Canyon.

WHAT IS ON YOUR BUCKET LIST?
Learning how to speak French, seeing the Eiffel Tower, and finally going to Walt Disney World.

WHAT IS YOUR FAVORITE BOOK?
"The Glass Castle"

WHO IS SOMEONE THAT YOU REALLY ADMIRE?
My amazing and beautiful mom, Cindy. She is the kindest, most loving person I have ever known and I look up to her in so many ways. Sometimes I don't even think she realizes how much she's always doing for everybody else because it always comes very natural to her to take care of others. She is truly the most selfless person. She has always been there for me and my four siblings and set such an amazing example for us growing up and still does to this day. She and my wonderful dad, Tom, have been married for 43 years and I feel so incredibly blessed to have them as my parents.

IF YOU COULD GO BACK IN TIME, WHAT DECADE WOULD YOU TRAVEL TO AND WHY?
The 1950s. I feel like there are many things to be said about that time, especially when it came to traditional values. Even though it was just 70 years ago, much has changed since then. It would be like stepping into a whole different world.
