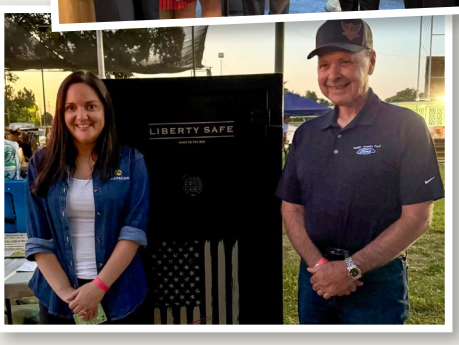
MORRISON SNAPSHOTS



MORRISON SUMMER BBQ

At the start of each summer, our team gets together for the Morrison Summer BBQ. Folks brought their families and we shared lunch, cooled off in the pool, and got our faces painted. We look forward to getting together next year already!

SILVER DOLLAR FAIR

In May some of our team spent the day at the Silver Dollar Fair. The main event was the Livestock Auction where they bid on a hog, affectionately named Kankles, and won. We had enough bacon for the entire Morrison team to take home bundles!

NATIONAL SOCIETY OF ACCOUNTANTS FOR COOPERATIVES FAR WEST CHAPTER ANNUAL CONFERENCE

Morrison Founder Brent Morrison joined Tim Peters, Zach Quiroz, Michelle Genova, and Jeff Boian in Monterey for the annual NSAC Conference. The conference is a chance to grow in knowledge and understanding of cooperative finance while connecting with experts. Some of the team had the privilege of sharing dinner with Mike Droke, Partner at Dorsey and Whitney, who spoke on labor law and the complexities of cooperative governance.

BRENT AND SIBYL'S ANNIVERSARY CELEBRATION

The entire Morrison team was invited to celebrate Brent and Sibyl's 50th Wedding Anniversary in June. We enjoyed dinner together, a renewal of their vows, and a stand-up comedy routine performed by Brent and Rob Reddemann, Brent's longtime friend. It was as good as it sounds!

AG COUNCIL LEGISLATIVE DAY

On May 7th Managing Principal Toni Scott had the opportunity to attend this year's Legislative Day hosted by the Agricultural Council of California. The meeting gathered members with legislators, policy staff, and regulatory officials. Issues discussed included water, crop protection tools, and budget items. Toni enjoyed hearing from officials and connecting in person.

BUTTE COUNTY FARM BUREAU SUMMER BBQ

In June, members of the Morrison team attended the Annual Butte County Farm Bureau Summer BBQ. All proceeds assist the Farm Bureau in its efforts to support local agriculture. It was a family affair with games, raffles, and a live auction. Our favorite highlight from the evening was when Toni Scott won the grand prize gun safe!
