MORRISON **SNAPSHOTS**

NCFC HR CONFERENCE

Morrison's People Solutions Manager Jeff Boian recently spoke to a room full of human resource professionals at the National Council of Farmer's Cooperative Annual HR Conference in Nashville. Cooperatives throughout the United States were represented at the conference. Boian's presentation was titled "Planning for an Unknown Future." He focused on the importance of strategically planning for a future full of change and uncertainty. The message was timely and well-received.

FARM CITY AGRI-BUSINESS BUS TOUR

The Morrison team enjoyed a fun and educational field trip on the Farm City Agri-Business Bus Tour in November. After coffee and light morning snacks at the Chico State Farm, the team boarded a chartered bus and began a tour of five local farms and agri-businesses, including some of Morrison's very own clients: Farmers Brewing, Rumiano, California Olive Ranch, and the Chico State Meats Lab. Participants had the invaluable opportunity to learn about each of their operations and contributions to the North State's agricultural industry.

CALIFORNIA AGRICULTURAL LEADERSHIP PROGRAM REUNION

Brent and Sibyl Morrison attended the first post-COVID reunion of the California Agricultural Leadership Program's Class XXV at beautiful Rancho Cañada vineyard in Santa Ynez, California, owned by classmate Doug Circle and wife Jan. Twenty-one of 29 classmates attended the weekend-long event, reminiscing about the class's adventures from 1994 to 1996 including visits to Washington DC, India, Pakistan, and Nepal, and meeting and volunteering with Mother Teresa. A great time for all!

RUN FOR FOOD

Morrison honored their annual tradition by assisting with packet pick up during Thanksgiving week for the 18th Annual Run for Food! Fleet Feet hosted once more in downtown Chico as our staff assisted runners picking up their packets and t-shirts. With an estimated 4,500 runners and walkers on Thanksgiving morning, the annual Run For Food supports the Jesus Center, a Morrison client.
