

## CLIENT CORNER

The Morrison Client Corner is a regular feature of our newsletter. Here, you'll find updates on what a number of our clients are up to, their achievements and milestones, and the generally great things happening in their companies or organizations.

If you're a client of ours, we'd love to stay up to date with what is going on within your organization and invite you to share your highlights in this space. Feel free to send any press releases, newsletters, or happenings to Michelle at [mgenova@morrisonco.net](mailto:mgenova@morrisonco.net).

Things are hoppin' at **Farmers Brewing Company**. They put the finishing touches on their production facility in early 2020 and just launched canned beer into regional grocery stores! If you just can't wait to "Put Your Lips On A Farmer", head over to their new website at [farmersbrewing.com](http://farmersbrewing.com) and check out their new beer locator. You can now search through Glenn, Butte, Colusa, Sutter, Yuba, and Sacramento counties for Farmers Brewing beers. Morrison has had the opportunity to work with Farmers Brewing Co. on several different projects and we raise a glass to their success. Cheers!

**Associated General Contractors of California (AGC)** celebrates 100 years! Kicking off their centennial celebration at their first Installation & Awards Gala, held at the historic Fairmont San Francisco on January 31st, AGC announced the induction of Mike Blach as the 2020 President in addition to presenting over ten different awards. Morrison is thrilled to work with AGC, and looks forward to our continued partnership. The **California Center for Cooperative Development (CCCD)** recently hosted their annual Agricultural Cooperative Directors and Executives Leadership Training where Principals Brent Morrison and Shawn Miller presented on the benefits and methods of developing and managing a succession planning program. With several Morrison clients in attendance and a long standing history of collaboration with CCCD, Morrison was honored to participate. Other tracks included Evaluating and Planning for Mergers and Acquisitions and a case study of three well known cooperatives. To learn more visit [www.cccd.coop](http://www.cccd.coop).
