

Morrison & Company Celebrates 10th Anniversary

To commemorate ten successful years in business, Morrison & Company hosted an Open House June 13 at our new office space in Chico, California. We were delighted to share our celebration with about 100 guests, including clients, supporting businesses, family, and friends. The event was catered by Chico's Bacio Catering and featured a handcrafted menu highlighting food and wines from our wonderful clients. Guests had the opportunity to tour our office, enjoy a glass of wine, see a slideshow history of our company, and enter to win gift baskets chockfull of the fine products of our clients. We are blessed to have had a decade of success and look forward to the next 10 years !
