## SOGOOD SAKÉ FROM SUN VALLEY RICE

SOGOOD Saké is an American sake brand on a mission to rewrite the rules of saké and shake up the category. The brand's 'California Style' saké expressions are defined by their use of yamada nishiki rice, a specialized Japanese saké rice which co-founder Ken LaGrande and his family grow in the Sacramento Valley. SOGOOD's flagship Junmai Daiginjo is brewed using rice kernels milled down to the center 'pearl' and fermented in Cascade Range spring water. It is crisp, clean, smooth, and well-balanced.
