

CLIENT CORNER

The Morrison Client Corner is a regular feature of our newsletter. Here, you'll find updates on what a number of our clients are up to, their achievements and milestones, and the generally great things happening in their companies or organizations.

If you're a client of ours, we'd love to stay up to date with what is going on within your organization and invite you to share your highlights in this space. Feel free to send any press releases, newsletters, or happenings to Michelle at mgenova@morrisonco.net.

GRANT AWARDS FOR MORRISON CLIENTS

Morrison had a busy season writing competitive grant proposals on behalf of our clients and are thrilled the award notifications are starting to come in. In 2020, Morrison helped our clients secure over \$9 million in federal and state grant funding through the California Energy Commission Food Production Investment Program; the California Department of Food and Agriculture Specialty Crop Block Grant Program; and several other state and federal grant programs. Check out our cover on Farmers Brewing for one example of our successful grant work!
